

## A CONTROLLED FIRST DECISION

# See where AI can help - before you pay to build it.

Bring one frustrating process. In three weeks, see a safe working example and get a clear ADVANCE, PREPARE, or REDIRECT recommendation.

FROM UNCERTAINTY TO A CLEAR FIRST DECISION

**BEFORE**

AI sounds useful.  
Where do I start?

**ARCSTRIDE**

We test one  
practical path.

**AFTER**

Now I know what  
to do next.

## ARCSTRIDE DOES THE WORK BEHIND THE SCENES

### UNDERSTAND

Process + friction

### COMPARE

Value + readiness

### DEMONSTRATE

Example + controls

### RECOMMEND

ADVANCE / PREPARE / REDIRECT

**3 WEEKS**  
TO A DECISION

**6-8 HOURS**  
OF CLIENT TIME

**NO REQUIRED**  
IMPLEMENTATION

## WHAT YOU LEAVE WITH
