

VERIFIED LAUNCH MODEL

Your data stays yours.

We use only what the agreed work requires - inside a named boundary with human accountability and a defined closeout.

FIVE COMMITMENTS BEFORE INFORMATION MOVES

ASSESSMENT INFORMATION PATH

BOUNDARIES AND EVIDENCE

Know the boundary. Know what comes next.

This overview describes the launch-phase Assessment. Production work requires a separately approved environment, agreement, and control set.

OUTSIDE THE LAUNCH BOUNDARY

Excluded unless separately approved

CUI and ITAR-controlled data

Health and payment-card data

Authentication secrets

Sensitive personal data
